Buddy Program

Helping you and your buddy stay
together

.....

KEEPING THEM HOME

What is the Buddy Program?

It is a mission of Hands 'N Paws Animal Assistance to preserve the human-animal bond by providing financial assistance, resources and support to those pets in need.

As part of that mission, Buddy Program has been created to help low-income families care for their pet and enable them to be able to stay with the family.

We will try our best to help as many pets as we are able, but please keep in mind that there is a high volume of people asking for help and we are limited by the funding we have available. There is a list of additional resources that can be found on our webpage.

Grooming

Hands 'N Paws knows the importance of a grooming to an animal's health. The typical grant is \$50. We would love to have before and after photos.

Behavior Training

One of the biggest reasons an animal is surrendered is behavior issues. Hands 'N Paws would offer a grant of up to \$150 for time with a licensed trainer to help with those issues.

Housing Deposit

Moving can be a great hardship for families both financial and emotional. Having your pet during this time is a great comfort. Hands 'N Paws would offer a grant of up to \$200 toward the pet deposit of your new home so you can stay together.

Fostering for Deployed Military

Those of us at Hands 'N Paws have a great respect for the members of the military. We know, during times of deployment, your buddy is left behind and sometimes the only choice is to rehome him/her. We would like to offer a foster home to your buddy so that they can be in a home and cared for while you are away. Then when you come home, your buddy will be waiting to jump in your arms and join you back at home.

Choose The Program

Is the animal currently under the care of a veterinarian?

YES NO

If yes, what is reason? _____

Is your pet up to date on vaccines? YES NO

Name of Veterinarian: _____
